

Hydromassage Gives You The Break You Deserve!

Free 15 minute
Hydromassage!

Take a break from stress and treat yourself to a relaxing hydromassage. Hydromassage feels like a hot tub on your back, neck and shoulders but you never get wet. You remain completely clothed as

you lay on a water filled mattress and relax as a series of hydro-jets massage away aches and pains. It takes only 15 minutes to achieve total relaxation.
